MR. AUTO OWNER: DON'T THROW AWAY YOUR OLD TIRES

HAVE THEM DOUBLE TREADED. We take Two Old Casings (one rim cut and one tread worn or blow out) Cement and sew them together, making you One Good Tire, that will give you more mileage per dollar than any new tire, and best of all, we can save you at least 75 per cent. Is that worth investigating?

City Convention Thursday

Hardly will the county convention be over when the city Democratic convention will be held. The city committee met at the Monroe club rooms Saturday night, and after some discussion, decided to hold the precinct primaries on Wednesday night, next, and the convention at the court house on the day following.

The ward primaries will be held at the usual voting places at the regular hour, and will be called to order by the precinct committeeman, after which the allotted number of delegates to the city convention will be selected, and these delegates will meet at the court house the next day and name a candidate who will be the next mayor of St. Joseph and a ticket of other nominees who will be the next occupants of the offices in the city hall.

It is expected that the fight for the ward delegations, Wednesday night, will be spirited, as both the Robinson and Reilly adherents have been very busy at work, and both sides claim they have the victory already won.

The number of delegates to the convention will be selected on a basis of one for each fifty votes cast for Wilson at the 1912 election, and one for each major fraction over fifty. Again it may be stated that there will be lively times.

THE FEBRUARY REPORT

(Continued from Page One)

that the city engineer plot the cemetery, that a permanent record of burials be kept, that the cemetery be improved and beautified in every possible way.

"The sick poor home medical service—The family physician made 186 calls to the sick poor in their homes. The highest number of calls in any one day was fifteen.

"Dispensary service—The family physician rendered 123 services to the sick poor at the dispensary. The highest number of services in any one day was eleven.

"Obstetric service—The family physician made three calls to obstetric patients in their homes. There were two births in the homes and one in the hospital.

"Hospital service—There were readmitted to the hospital 19 patients; admitted, 27; dismissed, 34; patients in hospital March 1, 12. There were 6 operations and 3 deaths. Patients were classified, viz.: obstetric, 2; medical, 14; surgical, 10; eye case, 1. Amount of hospital bill was \$580.07.

"Hospital social service—The executive secretary made 9 trips to the hospital and had 31 interviews with patients. The sum of \$12 was collected from hospital patients.

"There is a growing tendency on the part of the public and city and county officers to co-operate with the board in charitable work," said President Zimmerman, "and in so doing they are carrying out the cardinal principal of the law, which contemplates constructive philanthropy as opposed to temporary relief.

"Many individuals are turning over to the board funds entrusted to them for specific purposes, thus preventing all duplication and overlapping."

♦♦♦♦♦ CAN PROVE IT ON SWANGER ♦♦♦♦♦

You can bet your last dollar that Roach didn't make any false statements in his announcement as a candidate, as Swanger says he did. We have the proof that Swanger made false statements right here in Ava, when he said calves would sell for \$3 if Wilson was elected.—Douglas County Democrat.

GREATER ST. JOSEPH

(Additional)

March came wandering into St. Joseph this month, rather chilly and fretful, but about noon, relaxed and gave the citizens a little comfort, but after 3 p. m. resumed its career with a rising wind and snaky gusts. The gusts were a joy to the "boys" now that the ladies wear their dresses above their shoe tops.

MONEY to loan on watches, diamonds, jewelry, etc., etc. Lowest rates. Levin Mer. Co., 515 Edmond.—Adv.

D. H. Doane, state leader in county agent work at Columbia, Mo., has notified L. V. Crandall, county farm agent here, to keep a sharp lookout for a bunch of crooked Indiana agents selling nursery stock in violation of the Missouri nursery inspection laws. Mr. Crandall is warning all the farmers of this county to deal cautiously with all Indiana nursery dealers.

Charles T. Phelps, a negro saloon keeper, was arrested by United States Deputy Marshal Wheeler, Thursday, and arraigned before United States Commissioner Colt on the charge of refilling bonded bottles of liquor with inferior liquor in violation of the federal statute forbidding the use of a container after once emptied. Phelps was released upon \$1,000 cash bond.

Next Friday on the occasion of the celebration of the great Irish patron's day, St. Patrick, the St. Joseph Metropolitan street cars will be manned by a set of genuine green conductors and it will be a delight to kid the student cons as they collect your fare for each and every con will be one of the fair sex of which we are gener-

ously supplied. Green badges will represent their authority to take your loose cash and there will be no need of turning green if you give a "green back" and get no change "back," as all the proceeds over legitimate expense of the company will be given over for use of the Federation of Women's Clubs, to whom Manager John Van Brunt has turned the entire street car system over to their charge.

The funeral of Mrs. J. Lee Hayes, 25 years old, of Butte, Mont., occurred Thursday afternoon from the home of her mother, Mrs. Jessie M. Albus, 3430 Circle Drive. Interment was in Mt. Auburn cemetery, with Rev. C. M. Chilton officiating. Mrs. Hayes formerly was Miss Helen Albus, daughter of Mr. and Mrs. Joseph Albus. Mrs. Hayes was born and raised in this city and two years ago married J. Lee Hayes and moved to Montana to live. The many sorrowing friends will remember Mrs. Hayes as a beautiful and good woman, and with regret, that she has been called away, not only from her own family, but from the large circle of friends with whom she always was a favorite.

OMAHA ALSO HAD A DOSE

(Continued from Page One)

ber of patients. There is no such condition existing in Omaha as indicated in that article, and there never was in the worst days that the city has ever seen.

The wages of girls in Omaha are not as high as they should be, but the statements made concerning them do not at all coincide with the reports of the state and national labor bureaus. This matter of defaming Omaha has gone beyond all endurance. Omaha is not a city of foulness. There are no such conditions and never have been, as are frequently charged. The young women of Omaha are intelligent and moral, and any man or woman who says they are not is a slanderer. They may not be able to defend themselves, but the men of Omaha should. They can be found in the business offices, the department stores, in the schools and colleges by the thousands and they are as intelligent and pure as can be found anywhere in the world.

Possibly after awhile St. Joseph papers who hate someone and who are willing to stand for any and all sorts of abuse of St. Joseph by paid defamers in order that they may achieve personal gratification, may "take a tumble to themselves."

TEN MOST STUBBORN MEN

(Continued from Page One)

And at 9 o'clock yesterday the hostilities were again renewed and the ten stubborn men were again at it hammer and tongs.

When this paper went to press late last night the stubborn ten were still stubborn—and their stubbornness will give the Democrats the mayor and all of the other St. Joseph city officers. Whoop'er up, boys!

Can Corns Be Cured?

Yes. But not by the use of burning acids that eat the very flesh like hungry wolves. You do not have to draw blood to get "Blood Poison."

Do not "hack" your feet with unsterile knives or razors. Such methods as these have caused the death of thousands.

The Foot Specialist of today can remove most of your foot troubles in a short time, at a single setting, and assure you that there will be no pain. With the trouble and the cause removed there should be no recurrence.
